O R D E R:

The Government agree with the Surgeon-General that it is not necessary to allow the candidates who complete the bifurcated course in Secondary schools with domestic science as their special subject and who are subsequently appointed as House-keepers, higher rates of pay compared to others with the ordinary qualifications.

2. They also approve the Surgeon-General's proposal to incorporate in the special rules relating to House-keepers in the Madras Medical Subordinate Service the alternative equivalent qualifications mentioned in his letter last cited above. He is requested to submit the necessary draft amendments to the Special Rules for the Madras Medical Subordinate Service, in consultation with the Director of Public Health.
